AMENDMENT AND RESPONSE A

In response to the Office Action dated April 11, 2002, Applicant submits the following response:

In the claims:

Please amend claims 1, 35 and 41 as follows:

1. (amended) An Internet enabled automatic rental vehicle transaction system, said system having an Internet web site through which an authorized purchaser of rental vehicle services may access a rental vehicle software program resident on a computer system, said rental vehicle software program being configured to automatically respond to a series of commands from said authorized purchaser and communicate a rental vehicle reservation to one of a plurality of providers of said rental vehicle services, at least one of said rental vehicle service providers offering a plurality of specific geographically remote
